# ILCS | STUDY ABROAD PROGRAM

It is difficult to describe what it is like to experience a sojourn in Morocco with the rich cultural mix between Arabic & Amazigh, flavors of Africa and the Middle East with a strong European influence.

Rich with its fascinating history and historical sites, customs and traditions dating back centuries, and contrasting landscapes, sojourning in Morocco is a once in a lifetime experience.

ILCS | Study Abroad Morocco is a variety of programs tailored to meet participants' expectations with a complete cultural immersion while volunteering, doing service learning or studying.

# ILCS I STUDY ABROAD PROGRAM

*These studying programs offer classes with transferable credits to the major universities in the world, this **May 2023** we received **10 participants** from **Virginia State University**.*

## TRANSLATOR

The expansion of the European Union, globalization, as well as the multiplication of meetings between decision-makers, collaborators and citizens are accompanied by the more and more often need of multilingual communication. It is necessary to have interpreters to accomplish certain tasks.

ILCS Rabat adapts its teaching methods and offers exclusive complete training in Translation and interpretation in order to develop in such careers.

# WHY ILCS ?

- **Multilingual education** that corresponds to expectations of recruiters
- **Academic advisors and professional teachers** at your service
- **Better job insertion** thanks to the continuous and applied training
- **Groups of limited level** in the number of the participants
- Permanent assistance offered by **”Trad’ Agency”** to put into practice your theories
