ILCS | STUDY ABROAD

In this month of October we received **6 volunteers** coming from **3 different** countries (***Netherlands, United States of America, Canada***) for a sojourn in Morocco.

They all share a sense of love for volunteering.

They served underserved communities in three different projects:

CHILDCARE

SPORT & DEVELOPMENT

WOMEN'S EDUCATION

This Thursday, November 2, a conference was held in our premises on the theme **“Cyberviolence in the Digital Space: Youth Responses”**.

Supervised by Mr. Saad Jaafri, the students shared their experiences during the Hackathon organized by the ISIC with participation of ILCS journalism students, administrative staff and teachers.

It was a real pleasure to listen to the different projects on which they worked in collaboration with students from other universities.
